

## overview

Students will focus on introducing themselves, meeting, and interviewing another student in class.

## focus

Interview someone in the class that you do NOT already know. We will all take turns presenting our new acquaintances to the class.

## questions

- 1) Who are you, where are you from, what is your major and what inspired you to pursue this field of study?
- 2) What are your expectations of this class, your classmates and the instructor?
- 3) What did you do over the break? (sleep and work do NOT count) Tell us something interesting about yourself...
- 4) Which super power would you choose; and why? All of your other attributes remain the same.
- 5) What are you going to do to help ensure your success in school?
- 6) How do you define failure?
- 7) How would you define and describe "innovation"? What type of attitude or thinking is "innovative"?
